Welcome to Brandon

Words from the CJHA

Welcome to Bonanza 2024! We are all very excited for the week and want to thank the committee for all their hard work. It is always great to see so many young Hereford breeders from all across Canada come together. There are so many opportunities to learn new things and meet new people. Bonanza is always one of my favourite events of the summer as I get to reconnect with friends I have met at previous shows. This week, make sure you step out of your comfort zone and try something new. There are so many knowledgeable senior members that would love to help out with things around the barn. I hope everyone has a great week!

Megan Nicholas, CJHA President

The Bonanza Planning Committee

Words from the CHA

It gives me great pleasure on behalf of the Canadian Hereford Association to welcome you to Brandon, Manitoba to celebrate Bonanza 2024, Herefords in the Wheat City. A huge thank you goes out to the CJHA and the Manitoba organizing committee for putting this first-class event together. The facilities in Brandon are second to none and will make this Bonanza experience memorable for everyone, whether this is your first Bonanza or you have been attending for years.

It is an exciting time to be in the cattle business, and particularly in the Hereford breed. Events such as Bonanza help to keep our leaders of tomorrow engaged in the livestock industry, build a network of fellow cattlemen and cattlemen and cultivate a livelihood we can all appreciate. Bonanza is the envy of all beef breeds across our nation and you will see once again why in Brandon this summer. I look forward to seeing you all in Brandon.

Chad Nicholas, CHA President

Meet the Judges

Open Show Judge – Brady Jensen

Brady Jensen resides in Courtland, KS with his wife, Allie and two daughters, Kelly and Kirbe. He currently serves as a Beef Regional Manager with ST Genetics. Previously he was on faculty at South Dakota State University from 2017-2022 and served as a Lecturer and the livestock judging team coach. Brady completed a master's degree at Kansas State in Animal Science, focusing on the genetic component of feet and leg structure in Red Angus cattle. Before graduate school, Brady attended at Butler Community College and Kansas State University where he was awarded All-American status at both levels in Livestock Judging. In his collegiate coaching career, he was on the coaching staff for 3 High Individuals at the national contest in Louisville and coached the 2021 Reserve National Champion Team. Currently, Brady and Allie assist the family seedstock operation, Jensen Brothers Herefords in Courtland, KS.

Semen Donation and Commercial Show Judge – Bill Biglieni

Showing and raising beef cattle has always been a big part of Bill's life starting with his years in 4-H and FFA in Republic, Missouri where he was born and raised. Those early years of experience in the beef industry helped foster a direction toward a professional career of working purebred sales and showing cattle for various producers in the United States and Canada. This line of work took him to many events across the U.S., from Atlanta, Georgia west to the Cow Palace in San Francisco and from Fort Worth Texas on up to the Canadian Western Agribition in Saskatchewan. One of the many highlights of his show career occurred during the 12 years he was employed at Klondike Farms Polled Herefords when he was voted Herdsman of the year at the US National Hereford Show in Fort Worth, Texas. Bill is one of only two Canadians to have ever received this award.

The demand for his judging experience has taken Bill coast to coast to numerous Canadian exhibitions from Prince Edward Island to Vancouver. Bill has judged a number Canadian National breed shows at the Toronto Royal, the Canadian Western Agribition, and Farm Fair in Alberta. He has also been called to judge national U.S. breed shows in Springfield, Massachusetts, Louisville Kentucky, Fort Worth, Texas, and Denver, CO

Bill along with his wife, Nancy own and operate WLB Livestock located north of Douglas, Manitoba. Their 132 head purebred Polled Hereford herd was dispersed in 2016. Followed by their 326 head purebred Simmental operation in 2020. Both these very successful events saw WLB genetics distributed across North America from Queen Charlotte's Island east to Prince Edward Island and throughout the United States as far south as Louisiana and west to California.

Bred & Owned and Heifer Lottery Judge – Eric Boon

Eric Boon along with his wife Terra, daughter Rozlyn and son Liam own and operate B-Bar Cattle along with his parents Delaney and Deanna Boon. B-Bar Cattle is a progressive purebred Limousin and LimFlex operation at Lucky Lake in west central Saskatchewan. They have successfully exhibited at the major shows across Canada as a way to promote their program and the Limousin breed. Their cattle and genetics have been marketed across Canada, into the United States, Mexico, Australia and South Africa; through their Annual Bull & Female Sale on farm. This year it will be held Tuesday, December 17.

Eric obtained a degree in Agribusiness from the University of Saskatchewan while playing Volleyball for the U of S Huskies. He has sat on both the Canadian Limousin Association and Saskatchewan Limousin Association board of directors. Eric has had the opportunity to travel throughout Canada, the United States and Argentina working for other producers. He has judged cattle shows across Canada at all levels and is honoured to be apart of this years Bonanza show.

Intermediate & Senior Showmanship Judges – Robin & John Hogberg

Robin and John Hogberg own and operate Bar-H Land & Cattle Co. along with wife/mother Michelle located at Langenburg East Central Saskatchewan.

Robin grew up in the Saskatchewan 4-H program and was also involved in the Saskatchewan Jr Hereford Association. Robin has judged many livestock beef shows, 4-H and Jr shows and enjoys working with the youth. John grew up being involved in Saskatchewan 4-H as well. He attended Butler Community College in El Dorado Kansas, USA where he obtained his associates degree in animal science, and was a member of the Livestock Judging team. The team was recognized as national champions and the team of the year for the 2020-2021 judging season. John then went on to attend Oklahoma State University in Stillwater Oklahoma, USA where he received his bachelors degree in Animal Science with a business option. While going to school in the United States John worked for some of the top show cattle operations throughout the country as well.

Over the years they have exhibited livestock at major shows across Canada and the United States.

Junior & Pee Wee Showmanship Judges – Jake Rawluk & Laura Horner

Jake and Laura operate Horner Cattle Company, a mixed grain, commercial operation and purebred Simmental operation. Where they calve 450 cows and crop 2000 acres. Horner Cattle Company yearly markets both females and bulls out of the Associate Invitational, Cream of the Crop, and the Horner Downhill TSN Bull sale. They also privately sell packages of commercial bred heifers. You can see Horner Cattle Company's genetics on display throughout numerous shows in the fall.

Laura and Jake are both very active in the show industry and youth circuit. Where they enjoy mentoring kids, and taking part of youth events such as Manitoba Youth Beef Round, CCYA, Bonanza and Showdown. Laura and Jake wish all the participants of this years Bonanza a great week!

The objective of the competition is to encourage team participation, communication skills, marketing skills and a general knowledge of the selling points of an animal. An animal may be picked by the marketing team, or one may be provided. The marketing team must convince the judges to purchase the animal based on pedigree, performance information and phenotype. But other criteria may be used. Points will be awarded for knowledge, creativity, salesmanship, and originality. Teams should provide the judges with a copy of the animal's registration certificate. Judges can ask questions. Teams will be penalized for using any notes.

Team Grooming Competition

Teams will be made up of one participant from each age category: senior, intermediate, and junior. Teams will be provided with power and a blower (clippers are allowed). Teams will have 15 minutes to fit one animal for the show ring. Animals must be brought to the competition only having been clipped and washed. If any products are detected on the animal prior to competition, this will result in disqualification. Animals must enter the chute wearing both a rope and leather halter.

Provincial Stall Competition

Each province is encouraged to work together to coordinate their stall design and décor for a cohesive, fun and creative look. Provinces will be judged on the overall look, cohesiveness, tidiness and organization of the stall. Prizes will be awarded daily.

Provincial Booth Competition

Each province will be given a table to decorate as they see fit. This must include a provincial basket, a physical or digital scrapbook, or photo display, and identifiable provincial items and promotional material.

Thank You for your Support

Cooper Creek Ranch *Bonanza Legacy Sponsor*

When the Stevenson family founded Copper Creek Ranch in 1999, their own children became involved in the Canadian Junior Hereford Association and Sharon Stevenson participated as an adult advisor. In 2009, they hosted Bonanza right on the ranch in Princeton, British Columbia.

But since their children have grown, the Stevensons have taken it upon themselves to stand behind this annual event, to ensure the survival of an event where young cattle people can gather in camaraderie and friendly competition, with some serious hands-on learning and education and experience that stands to influence their adult lives both in and out of the cattle business. It also allows them to experience the diversity and landscape of their country, along with the different types of agricultural operations and production practices. The Stevensons have been the major sponsors of Bonanza for over 20 years and are proud of that tradition of supporting our Hereford youth in the industry. In conjunction with this, they fully support all fund-raising junior programs to lend support wherever they can in their wider Hereford community. As they do every year, they wish you all a fun and rewarding time at the show!

Bob Gordon

Bob Gordon was instrumental in the creation of the Canadian Junior Hereford Association. In the late 70's, he witnessed the development of successful youth cattle programs across North America and while serving as a Canadian Hereford Association board member he proposed the formation of the Canadian Junior Hereford program. Today the CJHA is an active and busy organization and hosts one of the largest junior events in Canada - Bonanza. Many thanks to the Gordon Family for supporting the Bob Gordon Memorial Award and to Bob Gordon for his vision and support of the CJHA.

Major Jay Fox

The Major Jay Fox Memorial Ambassador Awards program recognizes a CJHA member ambassador who exemplifies a positive attitude, willingness to help others, eager to learn and participate in Bonanza activities, and have good knowledge of the Hereford breed. Division Ambassadors are selected by their peers from their age category during Bonanza and an Overall Ambassador Award is selected by the entire Junior membership at Bonanza. Major Jay Fox was a young leader in agriculture and served on the Board of the Manitoba Beef Producers for 6 years including a term as President. He was a loyal, hardworking and tireless volunteer for his community and industry. Many thanks to Justamere Ranches and the Fox families for continuing to sponsor this special award for CJHA members.

Magic happens when we come together for the love of cattle.

We find our places to shine.

We step up to challenges for which we signed up.

We learn new ways of doing things and learn that there are many ways of doing the same thing, flavoured by each of our unique contributions.

We discover new parts of our beautiful country; and perhaps new parts of ourselves we hadn't previously recognized.

And while we challenge ourselves, we learn how we can also help and inspire one another, in the name of herdsmanship, showmanship, friendship and in our common love of cattle beasts.

Founded by our ancestors and predecessors, this BONANZA legacy is a long-established tradition which you get to re-imagine in new, inspiring and unique ways.

We are very happy to support your efforts on this journey!

Make it wild!
